

SAT Sharks - Demo Full Test - English (Reading & Writing)

3 modules x 27 questions. Module 1 for everyone; Module 2 Easy if below 65% on Module 1, Module 2 Hard if 65% or above.

DEMO CONTENT - sample questions written to show the SAT Sharks full-test upload format.

SECTION: READING_WRITING

MODULE 1

QUESTION 1

CATEGORY: SAT Vocabulary

DIFFICULTY: MEDIUM

PASSAGE: The botanist's field notes were remarkably ____: every leaf, root, and seed was recorded in exact detail.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: meticulous

B: careless

C: hostile

D: brief

ANSWER: A

EXPLANATION: "Meticulous" means extremely careful and precise, which matches notes that record every detail.

END QUESTION

QUESTION 2

CATEGORY: SAT Vocabulary

DIFFICULTY: MEDIUM

PASSAGE: Although the critic praised the novel's opening chapters, she found its ending ____, since it resolved every conflict too neatly to be believable.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: profound

B: contrived

C: ambiguous

D: subtle

ANSWER: B

EXPLANATION: An ending that resolves conflicts too neatly to be believable feels artificial, or "contrived."

END QUESTION

QUESTION 3**CATEGORY:** SAT Vocabulary**DIFFICULTY:** MEDIUM**PASSAGE:** The mayor's proposal was _____ by the council: every member voted in favor of it.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?**A:** rejected**B:** questioned**C:** endorsed**D:** postponed**ANSWER:** C**EXPLANATION:** A proposal that every member voted for was "endorsed," or approved.**END QUESTION****QUESTION 4****CATEGORY:** SAT Vocabulary**DIFFICULTY:** MEDIUM**PASSAGE:** Because the old bridge had become _____, engineers closed it until repairs could be made.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?**A:** ornate**B:** unstable**C:** famous**D:** crowded**ANSWER:** B**EXPLANATION:** Engineers close a bridge for repairs when it is "unstable," or unsafe.**END QUESTION****QUESTION 5****CATEGORY:** SAT Vocabulary**DIFFICULTY:** MEDIUM**PASSAGE:** The scientist was _____ about the early results, warning that more trials were needed before drawing any conclusions.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?**A:** cautious**B:** indifferent**C:** ecstatic**D:** certain**ANSWER:** A**EXPLANATION:** Warning that more trials are needed shows that the scientist was "cautious."**END QUESTION**

QUESTION 6

CATEGORY: SAT Vocabulary

DIFFICULTY: MEDIUM

PASSAGE: Lena's essay was praised for its _____ argument, which moved logically from one point to the next without any gaps.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

- A:** emotional
- B:** coherent
- C:** lengthy
- D:** repetitive

ANSWER: B

EXPLANATION: An argument that moves logically without gaps is "coherent."

END QUESTION

QUESTION 7

CATEGORY: SAT Vocabulary

DIFFICULTY: MEDIUM

PASSAGE: The documentary _____ the daily lives of beekeepers, showing how they care for their hives through every season.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

- A:** criticizes
- B:** exaggerates
- C:** chronicles
- D:** ignores

ANSWER: C

EXPLANATION: Showing the beekeepers' lives through every season means the film "chronicles," or records, them.

END QUESTION

QUESTION 8**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: Monarch butterflies travel up to 3,000 miles each fall from Canada and the northern United States to central Mexico. Scientists have found that the butterflies use the position of the Sun, along with an internal clock, to keep their direction. Because no single butterfly completes the round trip, the route is passed down through several generations.

PROMPT: Which choice best states the main idea of the text?

A: Monarch butterflies complete a long migration, navigating with the Sun and an internal clock.

B: Monarch butterflies live longer in Mexico than in Canada.

C: Each monarch butterfly flies the full route several times.

D: Scientists are unsure why monarch butterflies migrate.

ANSWER: A

EXPLANATION: The text describes the length of the migration and how the butterflies navigate it.

END QUESTION

QUESTION 9**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: In 1928, Alexander Fleming noticed that mold growing in one of his laboratory dishes had killed the bacteria around it. Rather than discarding the contaminated dish, Fleming studied the mold further. His curiosity led to the discovery of penicillin, one of the first antibiotics.

PROMPT: Which choice best states the main purpose of the text?

A: To explain how mold grows in laboratories

B: To compare penicillin with modern antibiotics

C: To show how careful attention to an accident led to an important discovery

D: To argue that laboratory dishes should be cleaned more often

ANSWER: C

EXPLANATION: The text traces how Fleming's study of a contaminated dish led to penicillin.

END QUESTION

QUESTION 10**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: The town of Willow Creek replaced its streetlights with LED bulbs in 2019. In the following year, the town's electricity costs for street lighting fell by 40 percent, and residents reported that the streets seemed brighter at night.

PROMPT: According to the text, what happened after Willow Creek installed LED streetlights?

- A:** The town installed more streetlights than before.
- B:** Electricity costs for the whole town doubled.
- C:** Residents asked for the old streetlights to be returned.
- D:** The town spent less on electricity for street lighting.

ANSWER: D

EXPLANATION: The text states that street-lighting electricity costs fell by 40 percent.

END QUESTION**QUESTION 11****CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: Many people assume that deserts are lifeless, but the Sonoran Desert supports more than 2,000 species of plants. Some, like the saguaro cactus, store large amounts of water after rare rainstorms, while others sprout, flower, and produce seeds within a few weeks of rainfall.

PROMPT: Which choice best describes the function of the first sentence in the overall structure of the text?

- A:** It presents a common belief that the rest of the text challenges.
- B:** It summarizes an experiment described later in the text.
- C:** It introduces a problem that the text later solves.
- D:** It offers a personal opinion that the text supports with statistics.

ANSWER: A

EXPLANATION: The first sentence states an assumption (deserts are lifeless) that the examples then contradict.

END QUESTION

QUESTION 12**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: The novelist kept a notebook in which she recorded conversations she overheard on buses and in cafes. She later explained that these fragments helped her write dialogue that sounded natural, since real people rarely speak in complete, carefully organized sentences.

PROMPT: Based on the text, why did the novelist record overheard conversations?

- A:** To collect ideas for the plots of her novels
- B:** To prove that people speak in complete sentences
- C:** To study how people behave on public transportation
- D:** To make the dialogue in her writing sound more realistic

ANSWER: D

EXPLANATION: She said the fragments helped her write natural-sounding dialogue.

END QUESTION

QUESTION 13**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** MEDIUM

PASSAGE: Students in a study were asked to learn a list of words. Half of the students took short practice quizzes while studying, and half simply reread the list. A week later, the students who had taken practice quizzes remembered significantly more words.

PROMPT: Which choice best states a conclusion supported by the text?

- A:** Students prefer quizzes to rereading.
- B:** Learning lists of words is harder than learning other material.
- C:** Rereading is the most effective way to learn new words.
- D:** Testing oneself while studying can improve long-term memory.

ANSWER: D

EXPLANATION: Students who quizzed themselves remembered more words a week later.

END QUESTION

QUESTION 14**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM

PASSAGE: The collection of rare maps that the university received last spring _____ now on display in the main library.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: have been

B: are

C: were

D: is

ANSWER: D

EXPLANATION: The subject is the singular "collection," so the singular verb "is" is needed.

END QUESTION

QUESTION 15**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM

PASSAGE: Each of the volunteers who joined the cleanup effort _____ a pair of gloves and a reusable bag.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: receive

B: have received

C: receives

D: are receiving

ANSWER: C

EXPLANATION: "Each" is singular, so it takes the singular verb "receives."

END QUESTION

QUESTION 16**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM

PASSAGE: The results of the survey, which was conducted over six months, _____ that most residents support the new park.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: has suggested

B: suggest

C: suggests

D: is suggesting

ANSWER: B

EXPLANATION: The plural subject "results" needs the plural verb "suggest."

END QUESTION

QUESTION 17**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM**PASSAGE:** Neither the coach nor the players _____ expecting the storm to delay the game.**PROMPT:** Which choice completes the text so that it conforms to the conventions of Standard English?**A:** is**B:** has been**C:** was**D:** were**ANSWER:** D**EXPLANATION:** With "neither...nor," the verb agrees with the nearer subject, the plural "players."**END QUESTION****QUESTION 18****CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM**PASSAGE:** The flock of geese _____ south every autumn, stopping at the same lakes along the way.**PROMPT:** Which choice completes the text so that it conforms to the conventions of Standard English?**A:** migrate**B:** are migrating**C:** have migrated**D:** migrates**ANSWER:** D**EXPLANATION:** The singular subject "flock" takes the singular verb "migrates."**END QUESTION****QUESTION 19****CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM**PASSAGE:** A series of short films by local students _____ shown at the festival each year.**PROMPT:** Which choice completes the text so that it conforms to the conventions of Standard English?**A:** is**B:** are**C:** were**D:** have been**ANSWER:** A**EXPLANATION:** The singular subject "series" takes "is"; "each year" calls for the present tense.**END QUESTION**

QUESTION 20

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: Researchers expected the new alloy to weaken at high temperatures. _____ it grew stronger as the temperature rose.

PROMPT: Which choice completes the text with the most logical transition?

A: Surprisingly,

B: Similarly,

C: As a result,

D: For example,

ANSWER: A

EXPLANATION: The result contrasts with what researchers expected, so "Surprisingly" fits.

END QUESTION

QUESTION 21

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: Honeybees communicate the location of food through a series of movements known as the waggle dance. _____ the angle of the dance indicates the direction of the food relative to the Sun.

PROMPT: Which choice completes the text with the most logical transition?

A: Specifically,

B: In contrast,

C: However,

D: Nevertheless,

ANSWER: A

EXPLANATION: The second sentence gives a specific detail about the dance.

END QUESTION

QUESTION 22

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: The town's library was closed for renovations for two years. _____ residents traveled to the neighboring city to borrow books.

PROMPT: Which choice completes the text with the most logical transition?

A: In the meantime,

B: Likewise,

C: On the contrary,

D: For instance,

ANSWER: A

EXPLANATION: Residents borrowed books elsewhere during the closure, so "In the meantime" fits.

END QUESTION

QUESTION 23

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: Many early automobiles were powered by electricity. _____ gasoline engines soon became more common because fuel was cheap and widely available.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Similarly,
- B:** Furthermore,
- C:** For example,
- D:** However,

ANSWER: D

EXPLANATION: The shift to gasoline contrasts with the earlier use of electricity.

END QUESTION

QUESTION 24

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: Octopuses can change the color of their skin in less than a second. _____ they can alter its texture to resemble rocks or coral.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Nonetheless,
- B:** Consequently,
- C:** Additionally,
- D:** Instead,

ANSWER: C

EXPLANATION: The second sentence adds another ability, so "Additionally" fits.

END QUESTION

QUESTION 25**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM**PASSAGE:** While researching a topic, a student has taken the following notes:

- The Golden Gate Bridge opened in 1937.
- It crosses the strait connecting San Francisco Bay to the Pacific Ocean.
- Its main span is 4,200 feet long.
- At the time, it was the longest suspension-bridge main span in the world.

PROMPT: The student wants to emphasize the size of the bridge when it was built.

Which choice most effectively uses relevant information from the notes to accomplish this goal?

A: The Golden Gate Bridge connects San Francisco Bay to the Pacific Ocean.**B:** When it opened in 1937, the Golden Gate Bridge had the longest suspension-bridge main span in the world: 4,200 feet.**C:** The Golden Gate Bridge opened in 1937.**D:** The Golden Gate Bridge crosses the strait between San Francisco Bay and the Pacific Ocean.**ANSWER:** B**EXPLANATION:** Only this choice uses the span length and its world-record status to emphasize size.**END QUESTION****QUESTION 26****CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** MEDIUM**PASSAGE:** While researching a topic, a student has taken the following notes:

- Ana Ortiz is a marine biologist.
- She studies kelp forests off the coast of California.
- In 2021, she found that sea otters help kelp forests grow by eating sea urchins.
- Sea urchins feed on kelp.

PROMPT: The student wants to explain how sea otters help kelp forests. Which choice most effectively uses relevant information from the notes to accomplish this goal?**A:** In 2021, Ana Ortiz studied the coast of California.**B:** Sea urchins and sea otters both live off the coast of California.**C:** Sea otters help kelp forests grow by eating sea urchins, which feed on kelp.**D:** Ana Ortiz is a marine biologist who studies kelp forests.**ANSWER:** C**EXPLANATION:** Only this choice explains the link between otters, urchins, and kelp.**END QUESTION**

QUESTION 27

CATEGORY: SAT Grammar & Writing

DIFFICULTY: MEDIUM

PASSAGE: While researching a topic, a student has taken the following notes:

- The Lena Library was built in 1910.
- It was renovated in 2015.
- The renovation added solar panels and a children's reading room.
- Visits increased by 35% after the renovation.

PROMPT: The student wants to present the effect of the renovation on library use. Which choice most effectively uses relevant information from the notes to accomplish this goal?

A: After its 2015 renovation, visits to the Lena Library increased by 35%.

B: The Lena Library was built in 1910 and renovated in 2015.

C: The renovation of the Lena Library took place in 2015.

D: The Lena Library was built in 1910.

ANSWER: A

EXPLANATION: Only this choice states how the renovation changed the number of visits.

END QUESTION

END MODULE

MODULE 2 EASY

QUESTION 1

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: Desert plants are _____ to dry conditions; many store water in thick leaves or stems.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: unrelated

B: opposed

C: adapted

D: exposed

ANSWER: C

EXPLANATION: Storing water in leaves or stems shows that the plants are "adapted" to dry conditions.

END QUESTION

QUESTION 2

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: The historian's claim was _____ by newly discovered letters that confirmed the dates she had proposed.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: overlooked

B: undermined

C: corroborated

D: simplified

ANSWER: C

EXPLANATION: Letters that confirm her dates "corroborate," or support, her claim.

END QUESTION

QUESTION 3

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: Though the musician rarely spoke in interviews, her songs were strikingly _____, revealing personal memories and fears.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

- A: cheerful
- B: candid
- C: formal
- D: technical

ANSWER: B

EXPLANATION: Songs that reveal personal memories and fears are "candid," or open and honest.

END QUESTION

QUESTION 4

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: The new policy had an immediate _____ effect: within a month, wait times at the clinic fell by half.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

- A: harmful
- B: theoretical
- C: negligible
- D: beneficial

ANSWER: D

EXPLANATION: Cutting wait times in half is a "beneficial," or helpful, effect.

END QUESTION

QUESTION 5

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: To make the instructions _____ to beginners, the author replaced technical terms with everyday language.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

- A: mysterious
- B: tedious
- C: irrelevant
- D: accessible

ANSWER: D

EXPLANATION: Replacing technical terms with everyday language makes instructions "accessible," or easy to understand.

END QUESTION

QUESTION 6

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: Some early readers dismissed the poet's work as _____, but later critics recognized its lasting importance.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: trivial

B: influential

C: popular

D: complex

ANSWER: A

EXPLANATION: "Trivial" (unimportant) contrasts with the "lasting importance" later critics recognized.

END QUESTION

QUESTION 7

CATEGORY: SAT Vocabulary

DIFFICULTY: EASY

PASSAGE: The two reports offered _____ accounts of the storm: one described minor flooding, while the other reported severe damage.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: detailed

B: conflicting

C: identical

D: brief

ANSWER: B

EXPLANATION: Reports describing minor flooding and severe damage give "conflicting" accounts.

END QUESTION

QUESTION 8**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: The Great Wall of China is often described as a single wall, but it is actually a network of walls built and rebuilt by different dynasties over roughly two thousand years. Some sections are made of stone and brick, while others were built from packed earth.

PROMPT: Which choice best states the main idea of the text?

A: The Great Wall is a collection of structures built over a long period with different materials.

B: Packed earth is stronger than stone and brick.

C: The Great Wall was completed by a single dynasty.

D: Most of the Great Wall has been destroyed.

ANSWER: A

EXPLANATION: The text explains that the wall is a network built by many dynasties from various materials.

END QUESTION

QUESTION 9**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: When the community garden opened, only a handful of neighbors took part. Over the next three years, however, the waiting list for garden plots grew to more than eighty names, and the garden began hosting weekly cooking classes using its harvest.

PROMPT: Which choice best describes the overall structure of the text?

A: It lists the vegetables grown in a community garden.

B: It describes a project's modest beginning and then its growing popularity.

C: It compares two different gardens in the same neighborhood.

D: It explains why a garden was forced to close.

ANSWER: B

EXPLANATION: The text moves from a small start to a long waiting list and new classes.

END QUESTION

QUESTION 10**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: Unlike most fish, the archerfish hunts insects that are above the water. It spits a precise jet of water at an insect resting on a leaf, knocking the insect into the water, where the fish can eat it. Researchers have found that archerfish can adjust for the bending of light at the water's surface when aiming.

PROMPT: According to the text, how does the archerfish catch its prey?

A: It uses light reflected from the water to blind insects.

B: It leaps out of the water to grab insects.

C: It waits for insects to fall from leaves on their own.

D: It knocks insects into the water with a jet of water.

ANSWER: D

EXPLANATION: The text says the fish spits water to knock insects into the water.

END QUESTION

QUESTION 11**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: Critics of the city's plan argued that a new bike lane on Main Street would hurt local businesses by reducing parking. A year after the lane opened, though, sales at shops along Main Street had risen by an average of 12 percent.

PROMPT: Which choice best describes how the second sentence relates to the first?

A: It explains why the critics opposed the plan.

B: It presents evidence that weakens the critics' prediction.

C: It describes a second plan proposed by the critics.

D: It provides an example that supports the critics' argument.

ANSWER: B

EXPLANATION: Rising sales contradict the prediction that businesses would be hurt.

END QUESTION

QUESTION 12**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: The poet Emily Dickinson published fewer than a dozen poems during her lifetime. After her death in 1886, her sister discovered nearly 1,800 poems in her bedroom. Their publication eventually established Dickinson as one of the most important American poets.

PROMPT: Which choice best states the main idea of the text?

A: Most of Dickinson's poetry became known only after her death, which built her lasting reputation.

B: Dickinson's sister wrote many of the poems later published under Dickinson's name.

C: Dickinson stopped writing poetry after 1886.

D: Dickinson published hundreds of poems while she was alive.

ANSWER: A

EXPLANATION: The poems found after her death established her reputation.

END QUESTION

QUESTION 13**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: A team of engineers designed a robot inspired by the way geckos climb walls. Tiny structures on the robot's feet, similar to the hairs on a gecko's toes, allow it to grip smooth glass without using glue or suction.

PROMPT: Which choice best states the main purpose of the text?

A: To explain why geckos cannot climb glass

B: To argue that robots will soon replace geckos in research

C: To describe how a feature of an animal inspired a robot's design

D: To compare different types of glue used in robotics

ANSWER: C

EXPLANATION: The text explains that the robot's feet copy the hairs on gecko toes.

END QUESTION

QUESTION 14**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** EASY

PASSAGE: In the story, Maya practices the violin every evening, even after her friends invite her to the park. When she finally performs at the school concert, she plays the difficult piece without a single mistake, and the audience rises to applaud.

PROMPT: Based on the text, which choice best describes Maya?

- A: Dedicated to improving her skill
- B: Uninterested in music
- C: Unwilling to perform in public
- D: Nervous about spending time with friends

ANSWER: A

EXPLANATION: Practicing every evening, even instead of seeing friends, shows dedication.

END QUESTION

QUESTION 15**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** EASY

PASSAGE: The chef's signature dish combines three _____ fresh basil, ripe tomatoes, and aged cheese.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

- A: ingredients
- B: ingredients,
- C: ingredients;
- D: ingredients:

ANSWER: D

EXPLANATION: A colon correctly introduces a list that explains "three ingredients."

END QUESTION

QUESTION 16**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** EASY

PASSAGE: Marie Curie was the first person to win Nobel Prizes in two different _____ she was honored in physics in 1903 and in chemistry in 1911.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

- A: sciences,
- B: sciences and
- C: sciences;
- D: sciences

ANSWER: C

EXPLANATION: A semicolon correctly joins two independent clauses.

END QUESTION

QUESTION 17

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The Atacama Desert in Chile is one of the driest places on _____ some weather stations there have never recorded rain.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: Earth that

B: Earth

C: Earth;

D: Earth,

ANSWER: C

EXPLANATION: A semicolon correctly joins two independent clauses.

END QUESTION

QUESTION 18

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The novel's main _____ a young mapmaker named Ines, travels across the Andes to complete her late father's map.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: character

B: character;

C: character,

D: character:

ANSWER: C

EXPLANATION: A comma is needed before the appositive "a young mapmaker named Ines," which is closed by the comma after "Ines."

END QUESTION

QUESTION 19

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The students' projects _____ judged on creativity, accuracy, and clarity.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: has been

B: was

C: is

D: were

ANSWER: D

EXPLANATION: The plural subject "projects" needs the plural verb "were."

END QUESTION

QUESTION 20

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The bakery's sales rose sharply after it began offering gluten-free bread. _____ the owners decided to expand the gluten-free menu.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Nevertheless,
- B:** Conversely,
- C:** Therefore,
- D:** Meanwhile,

ANSWER: C

EXPLANATION: Expanding the menu is a result of the sales increase.

END QUESTION

QUESTION 21

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: Some plants, such as cacti, store water in their stems. _____ baobab trees store water in their large trunks.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Instead,
- B:** However,
- C:** Similarly,
- D:** Therefore,

ANSWER: C

EXPLANATION: Both examples describe plants storing water, so "Similarly" fits.

END QUESTION

QUESTION 22

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The first draft of the novel was over 900 pages long. _____ the editor asked the author to cut nearly a third of it.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Similarly,
- B:** Regardless,
- C:** For instance,
- D:** Consequently,

ANSWER: D

EXPLANATION: The request to cut pages is a consequence of the draft's length.

END QUESTION

QUESTION 23

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: Mercury is the planet closest to the Sun. _____ it is not the hottest planet; that distinction belongs to Venus.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Therefore,
- B:** Nevertheless,
- C:** Likewise,
- D:** For example,

ANSWER: B

EXPLANATION: Not being the hottest is unexpected given Mercury's position, so "Nevertheless" fits.

END QUESTION

QUESTION 24

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: The orchestra rehearsed the symphony every day for three weeks. _____ the musicians performed it flawlessly on opening night.

PROMPT: Which choice completes the text with the most logical transition?

- A:** In contrast,
- B:** As a result,
- C:** For example,
- D:** Instead,

ANSWER: B

EXPLANATION: The flawless performance resulted from the rehearsals.

END QUESTION

QUESTION 25**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** EASY**PASSAGE:** While researching a topic, a student has taken the following notes:

- Kofi Mensah is a composer from Ghana.
- His 2019 symphony combines traditional Ghanaian drumming with a Western orchestra.
- The symphony premiered in London.
- Critics praised its blend of musical traditions.

PROMPT: The student wants to introduce Kofi Mensah's symphony to an audience unfamiliar with it. Which choice most effectively uses relevant information from the notes to accomplish this goal?**A:** Kofi Mensah is from Ghana.**B:** Ghanaian composer Kofi Mensah's 2019 symphony, which premiered in London, blends traditional Ghanaian drumming with a Western orchestra.**C:** The symphony premiered in London.**D:** Critics praised the symphony's blend of musical traditions.**ANSWER:** B**EXPLANATION:** Only this choice identifies the composer, the work, and what makes it distinctive.**END QUESTION****QUESTION 26****CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** EASY**PASSAGE:** While researching a topic, a student has taken the following notes:

- Lake A has an average depth of 12 meters.
- Lake B has an average depth of 45 meters.
- Both lakes are in the same national park.

PROMPT: The student wants to contrast the depths of the two lakes. Which choice most effectively uses relevant information from the notes to accomplish this goal?**A:** Lake A and Lake B are both in the same national park.**B:** Lake A has an average depth of 12 meters.**C:** Lake B, which is in a national park, has an average depth of 45 meters.**D:** Although both are in the same national park, Lake B is much deeper on average (45 meters) than Lake A (12 meters).**ANSWER:** D**EXPLANATION:** Only this choice compares the two depths.**END QUESTION**

QUESTION 27

CATEGORY: SAT Grammar & Writing

DIFFICULTY: EASY

PASSAGE: While researching a topic, a student has taken the following notes:

- Pemmican is a food made of dried meat, fat, and sometimes berries.
- It was developed by Indigenous peoples of North America.
- It can be stored for months without spoiling.
- Fur traders relied on it during long journeys.

PROMPT: The student wants to explain why pemmican was useful for long journeys.

Which choice most effectively uses relevant information from the notes to accomplish this goal?

A: Because pemmican could be stored for months without spoiling, fur traders relied on it during long journeys.

B: Pemmican is made of dried meat, fat, and sometimes berries.

C: Pemmican was developed by Indigenous peoples of North America.

D: Fur traders went on long journeys.

ANSWER: A

EXPLANATION: Only this choice connects pemmican's long shelf life to its use on journeys.

END QUESTION

END MODULE

MODULE 2 HARD

QUESTION 1

CATEGORY: SAT Vocabulary

DIFFICULTY: HARD

PASSAGE: The engineer _____ the design several times, making small improvements after each test.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: copied

B: abandoned

C: refined

D: admired

ANSWER: C

EXPLANATION: Making small improvements after each test means the engineer "refined" the design.

END QUESTION

QUESTION 2

CATEGORY: SAT Vocabulary

DIFFICULTY: HARD

PASSAGE: Volunteers worked _____ through the night to fill sandbags before the river crested.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: tirelessly

B: carelessly

C: occasionally

D: reluctantly

ANSWER: A

EXPLANATION: Working through the night to finish before the river crested shows they worked "tirelessly."

END QUESTION

QUESTION 3**CATEGORY:** SAT Vocabulary**DIFFICULTY:** HARD**PASSAGE:** Coral reefs are _____ ecosystems: a small rise in water temperature can cause widespread damage.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?

- A:** resilient
- B:** artificial
- C:** fragile
- D:** isolated

ANSWER: C**EXPLANATION:** If a small change causes widespread damage, the reefs are "fragile."**END QUESTION****QUESTION 4****CATEGORY:** SAT Vocabulary**DIFFICULTY:** HARD**PASSAGE:** The committee found the evidence _____, so it asked the researchers to collect more data before making a decision.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?

- A:** insufficient
- B:** accurate
- C:** convincing
- D:** overwhelming

ANSWER: A**EXPLANATION:** Asking for more data shows the committee found the evidence "insufficient."**END QUESTION****QUESTION 5****CATEGORY:** SAT Vocabulary**DIFFICULTY:** HARD**PASSAGE:** The artist's later paintings _____ from her early style, replacing bright colors with muted grays and browns.**PROMPT:** Which choice completes the text with the most logical and precise word or phrase?

- A:** departed
- B:** benefited
- C:** borrowed
- D:** emerged

ANSWER: A**EXPLANATION:** Replacing bright colors with muted ones means the later paintings "departed" from her early style.**END QUESTION**

QUESTION 6**CATEGORY:** SAT Vocabulary**DIFFICULTY:** HARD

PASSAGE: Rather than _____ the debate, the moderator allowed each speaker equal time to respond.

PROMPT: Which choice completes the text with the most logical and precise word or phrase?

A: record

B: attend

C: dominate

D: summarize

ANSWER: C

EXPLANATION: Giving each speaker equal time is the opposite of trying to "dominate" the debate.

END QUESTION

QUESTION 7**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: Before the invention of refrigerators, many households stored food in iceboxes, wooden cabinets lined with tin or zinc. A large block of ice placed in the top compartment kept the food below it cool. Ice was delivered to homes several times a week.

PROMPT: According to the text, how did iceboxes keep food cool?

A: Food was buried in ice delivered once a month.

B: The wooden walls trapped cold air from outside.

C: A block of ice in the top compartment cooled the food below it.

D: Electric motors circulated cold air inside the cabinet.

ANSWER: C

EXPLANATION: The text states that a block of ice in the top compartment cooled the food.

END QUESTION

QUESTION 8**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: Some scientists argue that the dinosaurs' extinction was caused mainly by an asteroid impact about 66 million years ago. Others point to massive volcanic eruptions in what is now India, which released gases that changed the climate. Many researchers now suspect that both events played a role.

PROMPT: Which choice best states the main idea of the text?

A: Scientists have proposed different causes for the dinosaurs' extinction, and both may have contributed.

B: Scientists agree that only an asteroid caused the extinction.

C: Dinosaurs survived for millions of years after the asteroid impact.

D: Volcanic eruptions in India were caused by an asteroid.

ANSWER: A

EXPLANATION: The text presents two explanations and notes that both may have played a role.

END QUESTION

QUESTION 9**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: A museum survey found that visitors spent an average of 17 seconds looking at each painting. To encourage visitors to slow down, the museum added benches in front of selected works and printed short questions beside them, such as "What do you notice first?"

PROMPT: Based on the text, why did the museum add benches and questions?

A: To reduce the number of visitors in each gallery

B: To help the museum count how many people visited

C: To encourage visitors to look at certain paintings for longer

D: To replace the information labels beside the paintings

ANSWER: C

EXPLANATION: The text says the changes were meant to encourage visitors to slow down.

END QUESTION

QUESTION 10**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: Tardigrades are tiny animals, usually less than a millimeter long. They can survive extreme conditions, including temperatures near absolute zero, intense radiation, and even the vacuum of space, by drying out and entering a state in which their metabolism nearly stops.

PROMPT: According to the text, how do tardigrades survive extreme conditions?

- A:** They grow a thick shell that blocks radiation.
- B:** They move quickly to warmer environments.
- C:** They store extra food before conditions change.
- D:** They dry out and nearly stop their metabolism.

ANSWER: D

EXPLANATION: The text says they dry out and their metabolism nearly stops.

END QUESTION**QUESTION 11****CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: The architect designed the school's classrooms with large windows facing north. Because north-facing windows receive steady, indirect sunlight, the rooms stay bright throughout the day without the glare and heat that direct sunlight can cause.

PROMPT: Which choice best states the main purpose of the text?

- A:** To compare schools in different cities
- B:** To criticize the architect's decision
- C:** To explain the reasoning behind a design choice
- D:** To describe the history of the school

ANSWER: C

EXPLANATION: The text explains why north-facing windows were chosen.

END QUESTION

QUESTION 12**CATEGORY:** SAT Reading Comprehension**DIFFICULTY:** HARD

PASSAGE: Researchers attached small cameras to sea turtles to study their feeding habits. The footage revealed that the turtles ate jellyfish far more often than scientists had previously believed, suggesting that turtles may help control jellyfish populations.

PROMPT: Which choice best states a conclusion supported by the text?

A: Jellyfish are the only food that sea turtles eat.

B: Cameras disturb the feeding habits of sea turtles.

C: Sea turtles may play a larger role in limiting jellyfish numbers than once thought.

D: Scientists already knew exactly how often turtles eat jellyfish.

ANSWER: C

EXPLANATION: The footage showed turtles eat jellyfish more than believed, suggesting they help control them.

QUESTION 13**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** HARD

PASSAGE: The museum's new _____ which opened in March, features works by artists from twelve countries.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: exhibit

B: exhibit;

C: exhibit,

D: exhibit:

ANSWER: C

EXPLANATION: A comma is needed before the nonessential clause "which opened in March," to match the comma after it.

END QUESTION

QUESTION 14

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: Every morning, the ferry carries commuters across the _____ the trip takes about twenty minutes.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: bay that

B: bay;

C: bay

D: bay,

ANSWER: B

EXPLANATION: A semicolon correctly joins two independent clauses.

END QUESTION

QUESTION 15

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: After years of research, the team finally identified the gene _____ for the plant's resistance to drought.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: responsibly

B: responsibleness

C: responsibility

D: responsible

ANSWER: D

EXPLANATION: The adjective "responsible" correctly describes "the gene."

END QUESTION

QUESTION 16

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: The documentary, along with several short interviews, _____ available on the network's website.

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: is

B: are

C: were

D: have been

ANSWER: A

EXPLANATION: The subject is the singular "documentary"; the phrase "along with..." does not change it.

END QUESTION

QUESTION 17

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: Built in 1889 for the World's Fair, _____

PROMPT: Which choice completes the text so that it conforms to the conventions of Standard English?

A: the Eiffel Tower was initially criticized by many Parisian artists.

B: many Parisian artists initially criticized the Eiffel Tower.

C: Parisian artists initially criticized it.

D: criticism of the Eiffel Tower came from many Parisian artists.

ANSWER: A

EXPLANATION: The modifier "Built in 1889" must be followed by the thing that was built: the Eiffel Tower.

END QUESTION

QUESTION 18

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: Ancient Roman concrete has survived for nearly two thousand years. _____ many modern concrete structures begin to crumble within decades.

PROMPT: Which choice completes the text with the most logical transition?

A: As a result,

B: By contrast,

C: For instance,

D: Similarly,

ANSWER: B

EXPLANATION: Modern concrete's short life contrasts with Roman concrete's durability.

QUESTION 19

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: The team tested three different battery designs over several months. _____ they chose the design that lasted longest in cold weather.

PROMPT: Which choice completes the text with the most logical transition?

A: Similarly,

B: For example,

C: Ultimately,

D: Instead,

ANSWER: C

EXPLANATION: The choice was the final outcome of the testing.

END QUESTION

QUESTION 20

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: Sea otters use rocks as tools to crack open shellfish. _____ some crows drop nuts onto roads so that passing cars will crack the shells.

PROMPT: Which choice completes the text with the most logical transition?

A: In conclusion,

B: However,

C: Therefore,

D: Likewise,

ANSWER: D

EXPLANATION: Both sentences describe animals using objects to open food.

END QUESTION

QUESTION 21

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: The museum offers free admission on the first Sunday of every month. _____ it hosts guided tours in five languages on those days.

PROMPT: Which choice completes the text with the most logical transition?

A: Instead,

B: Nevertheless,

C: In addition,

D: As a result,

ANSWER: C

EXPLANATION: The second sentence adds another benefit offered on those days.

END QUESTION

QUESTION 22

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: The author's early stories were set in large cities. _____ her later work focuses on small farming communities.

PROMPT: Which choice completes the text with the most logical transition?

A: Similarly,

B: In contrast,

C: Therefore,

D: For example,

ANSWER: B

EXPLANATION: Small farming communities contrast with large cities.

END QUESTION

QUESTION 23**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** HARD

PASSAGE: The bridge was designed to withstand winds of up to 150 miles per hour. _____ it remained undamaged when a 120-mile-per-hour storm struck.

PROMPT: Which choice completes the text with the most logical transition?

- A:** Meanwhile,
- B:** However,
- C:** Thus,
- D:** Instead,

ANSWER: C

EXPLANATION: Surviving the storm follows from the bridge's design.

END QUESTION

QUESTION 24**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** HARD

PASSAGE: While researching a topic, a student has taken the following notes:

- Rivera High School started a recycling program in 2020.
- Students collect paper and plastic each Friday.
- In the first year, the school recycled 4 tons of material.
- In the second year, it recycled 7 tons.

PROMPT: The student wants to show that the program grew. Which choice most effectively uses relevant information from the notes to accomplish this goal?

- A:** Rivera High School recycles paper and plastic.
- B:** Rivera High School started a recycling program in 2020.
- C:** Students at Rivera High School collect paper and plastic each Friday.
- D:** Rivera High School's recycling program grew from 4 tons of material in its first year to 7 tons in its second.

ANSWER: D

EXPLANATION: Only this choice compares the amounts from the two years.

QUESTION 25**CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** HARD**PASSAGE:** While researching a topic, a student has taken the following notes:

- The Seren is a solar-powered research boat.
- It was launched in 2022.
- It can travel 50 miles per day using only sunlight.
- It carries instruments that measure ocean temperature.

PROMPT: The student wants to emphasize the boat's energy source. Which choice most effectively uses relevant information from the notes to accomplish this goal?**A:** The Seren, launched in 2022, can travel 50 miles per day powered only by sunlight.**B:** The Seren carries instruments that measure ocean temperature.**C:** Research boats such as the Seren measure ocean temperature.**D:** The Seren is a research boat that was launched in 2022.**ANSWER:** A**EXPLANATION:** Only this choice highlights that the boat runs on sunlight.**END QUESTION****QUESTION 26****CATEGORY:** SAT Grammar & Writing**DIFFICULTY:** HARD**PASSAGE:** While researching a topic, a student has taken the following notes:

- Painter Rosa Lindqvist was born in Sweden in 1952.
- She moved to Mexico City in 1978.
- Her paintings combine Scandinavian folk patterns with bright Mexican colors.
- Her work is displayed in museums in both countries.

PROMPT: The student wants to describe the style of Lindqvist's paintings. Which choice most effectively uses relevant information from the notes to accomplish this goal?**A:** Rosa Lindqvist was born in Sweden in 1952 and moved to Mexico City in 1978.**B:** Rosa Lindqvist moved to Mexico City in 1978.**C:** Rosa Lindqvist's work is displayed in museums in Sweden and Mexico.**D:** Rosa Lindqvist's paintings combine Scandinavian folk patterns with bright Mexican colors.**ANSWER:** D**EXPLANATION:** Only this choice describes what her paintings look like.**END QUESTION**

QUESTION 27

CATEGORY: SAT Grammar & Writing

DIFFICULTY: HARD

PASSAGE: While researching a topic, a student has taken the following notes:

- A survey asked 500 adults about their reading habits.
- 62% said they read at least one book per month.
- 28% said they mostly read on electronic devices.
- 10% said they rarely read books.

PROMPT: The student wants to emphasize how many respondents read regularly. Which choice most effectively uses relevant information from the notes to accomplish this goal?

A: Some adults read books on electronic devices.

B: In a survey of 500 adults, 62% said they read at least one book per month.

C: A survey asked 500 adults about their reading habits.

D: In the survey, 10% of adults said they rarely read books.

ANSWER: B

EXPLANATION: Only this choice reports the share of adults who read every month.
